I agree:

- that I and my homeschool family will follow all rules and regulations for use of the homeschool library card.
- to pay all costs or fees assessed by the District for lost or damaged materials.
- that I am responsible for all materials checked out with the homeschool library card, with or without my consent, and for all other use of the card.

I understand that:

- the homeschool library card allows me and those I have designated to borrow materials for the family homeschool, access website services, use library computers, and use other library card-based services.
- the homeschool library card is not for personal use. Its intended use is specific to homeschooling activities, and I agree to use a personal library card for checkouts that do not fit within that parameter.
- failure to follow these rules and regulations regarding the use of the homeschool library card may result in suspension of library privileges.

Spokane County Library District’s Homeschool library cards are available to families located within the District’s service areas: the unincorporated area of Spokane County and annexed or contracting towns.

With this card, homeschooling families may have up to 50 items checked out at one time.

Parents/guardians may obtain a homeschool library card from any SCLD Library by presenting the following.

- Picture ID for the parent/guardian applying for the card.
- Verification of street address (if different from picture ID).
- A copy of the [Declaration of Intent to Provide Home-Based Instruction](#) form OR a written document stating that the form has been submitted to the school district office where it was filed OR a document from a homeschool organization verifying participation in a local school district homeschool program (if a Declaration of Intent isn’t required due to the student’s age).

One card will be issued per family living in the same residence. The card is for homeschooling resources only. To check out items, designated family members must have the card in hand or the parent/guardian who applied for the card may present picture ID. The parent/guardian on the card application is responsible for any charges for lost or damaged materials and for all use of the card.

Homeschool cards expire on September 15 of each year. The parent/guardian will be required to present a copy of the current [Declaration of Intent to Provide Home-Based Instruction](#) each year to renew the card.
