Librarian Application Supplement: Community Profile, Programming Proposal, and Blog Submission

Respond to this supplement and submit it along with your other application materials. Please limit your responses to a maximum of three (3) pages total.

Part I: Community Profile

This position has the community engagement focus of the city of Cheney, WA, and is responsible for developing partnerships on behalf of the library in that community. Using whatever resources and format you prefer, develop a demographic and socio-economic profile of the Cheney community.

Part II: Programming Proposal

Propose three (3) library program ideas for an adult and/or teen audience in the Cheney community. These ideas should be informed by the community profile you developed above, and should address one or more of the Business and Career Development goals of Spokane County Library District's *Community Engagement Plan*, see below. For each idea, include a description of the program, what resources would be needed for implementation, and how you would evaluate the program's success.

Goals: Business and Career Development

Goal 1: Teens and adults focused on post-secondary educational opportunities will have the resources needed to succeed.

Goal 2: Career-oriented teens and adults will have the resources they need to attain gainful employment.

Goal 3: Local businesses and non-profits will have the information they need to develop and maintain successful and viable enterprises.

Goal 4: Community members with financial information needs will have the resources to develop financial security.

Part III: Blog Submission

Write a brief blog sample on a topic of interest to you that ties into a library service and/or program of your choice.
