Spring 2016

Library News & Information

Spring is the time to “Renew”

Spring is in the air and it’s time for a fresh start. The Spokane County Library District’s spring series has everything you need to transform your everyday living. From classes on healthy eating, to organizing your home and yard, and cleaning-up your finances – the Library’s spring Renew programs will help you find new ways to refresh your lifestyle, form healthy habits, and revitalize your spaces.

Food for Fines

Spokane County Library District is celebrating National Library Week, April 10–16, 2016 with Food for Fines, a community food drive for the Second Harvest Food Bank.

Food for Fines works like this: for each donation of a non-perishable food item, library members can reduce their overdue fines by \$2—maximum \$20 forgiven per library account.

Donations benefit the Second Harvest Food Banks and their expanded networks in Cheney, Deer Park, Fairfield, and Medical Lake.

Lecture series: Civility

It was Benjamin Franklin who said, “Be civil to all, sociable to many, familiar with few, friend to one, enemy to none.” In conjunction with Humanities Washington, the Spokane County Library District presents a spring lecture series on civility. The theme of civility is perfect for this election year, as we see more incivility in the news and taking to the national and global stage.

Topics include: Political Incivility and Polarization in America; Defeating Racism; and Perceptions, Misconceptions, and Context for Islam for the 21st Century. For more information on these or other programs and services, visit www.sclld.org.

The KEY to our collection!

We are pleased to offer a variety of formats in our branches for reading and listening to books:

HB – hardback book
PB – paperback book
CD – audiobook on CD
MP3CD – audiobook on CD in MP3 format

The District also offers eBooks and digital audiobooks on our website.

These items require a computer for downloading. If you want to listen to a digital audiobook or read an eBook away from a computer, a portable device is required (e.g. tablets, eReaders, and smartphones).

EB – eBook
DAB – digital audiobook

Outreach Services are designed for those in the community who are unable to visit any of the District’s 10 libraries. Outreach also acts as the local liaison for Washington Talking Book & Braille Library.
