There was no further discussion.

The motion was unanimously approved.

COVID-19 Response (Item IV.D.2.)

CORONAVIRUS/COVID-19 RESPONSE/UPDATE. Mr. Roewe provided a handout outlining the District’s Infectious Disease Outbreak Response Plan. He further explained how decisions were made to invoke the Emergency Closure of Facilities policy, which is Level 3 of five response levels, and enables staff to be placed on paid administrative leave, if necessary. Staff will continue to work onsite and remotely performing primary business functions and will explore innovative ways to provide and/or expand services, such as Storytime, during closure. Social media will be used to encourage use of digital materials from home. An uptick has already been seen in hoopla, and prices for digital books have come down from one publisher. Due dates for materials previously checked out and expiring library cards were moved to May 2. Overdue fines were also suspended until May 2. In response to a query from Mr. Craig, Ms. Costa said at this time approximately 20 percent of staff (35 employees) requested administrative leave or remote work assignment, though staff still have the opportunity to submit requests. In response to Mr. Johnson’s query about the remodel at North Spokane, Mr. Roewe said the project can continue as planned, noting minimal staff will be on site with the contractor. Mr. Roewe said it was a monumental decision to close libraries, but it was the right one for the District to make in support of public health. Mr. Roewe said the decision was further validated by the recent proclamation from Governor Inslee closing various places of public accommodation, and he anticipates further directives from government agencies to have an impact in the near future.
Ms. Thompson thanked Mr. Roewe for making tough decisions. In turn, Mr. Roewe thanked the staff for their resilience, and his team, as they worked together to make difficult decisions involving the response plan. There was no further discussion.

There were no reports.

The Executive Director’s written report for February 2020 provided prior to the meeting, included information on the Business Office, Finance and Facilities, Communication & Development, Collection Services, Human Resources, Operations, and Community Activities. Regarding the upcoming restroom remodel project at North Spokane Library, Mr. Roewe said staff chose floor- over ceiling-mounted partitions for greater longevity and durability. Mr. Roewe further reported the required Public Records and Open Public Meetings Act(s) training that was part of the preliminary agenda for this meeting can be conducted individually online. He will subsequently send a link via email for Trustees to access the training. There was no further discussion.

Operations Director Doug Stumbough and Library Operations Manager Kristy Bateman provided a written report prior to the meeting for February 2020, with data for customer use measures, programming, and library activities. In response to Mr. Teterud’s query regarding The BookEnd library at Spokane Valley Mall, Mr. Knorr said he received notification that mall operating hours would be reduced because of the pandemic. There was no further discussion.

In response to queries from the Board, Mr. Knorr said for now he does not think the current six-week closure of libraries will noticeably impact the financial report. Janitorial and courier services will continue during this time. There was no further discussion.
Chair Craig adjourned the meeting at 4:24 p.m. Although the next Board Meeting was scheduled for Tuesday, April 21, 2020, at 4:00 p.m., in the public meeting room at Moran Prairie Library, with libraries closed through April 24, it will likely move to an online format.

ACCESS TO LIBRARY SERVICES

BACKGROUND:
The purpose of this policy is to affirm Spokane County Library District’s commitment to serving a
diverse community and providing facilities, programs, and services that are accessible to all and its
compliance with applicable state and federal anti-discrimination laws.

Key revisions were focused on more clearly aligning the policy with RCW 49.60.030, Washington
State’s “Freedom from discrimination—Declaration of civil rights” statute. While this statute has always
served as the policy’s basis, staff felt it important to reference the statute specifically in the policy and to
mirror the language used in the law.

Other minor changes were made to update the District’s preferred nomenclature and the updated
statement regarding procedures and appeals.

The recommended revisions have been reviewed by the District’s legal counsel.

Executive Director Patrick Roewe will be available to answer any questions on the proposed policy.

Following are an edited copy of the current policy, with revisions indicated by strikethrough (removal) or
underline (addition), as well as a clean copy of the recommended policy.

Recommended Action: Board motion to approve the revised Access to Library Services policy.

FMLA Leave Expansion and Emergency Paid Sick Leave (Coronavirus)

APPROVAL DATE: 04/21/2020

REVISION DATE:

Purpose

To comply with the Families First Coronavirus Response Act and to assist employees affected by the COVID-19 outbreak with job-protected leave and emergency paid sick leave. Policy HR05-Leave, including sections regarding Family and Medical Leave still apply to all other reasons for leave outside of this policy.

This Leave Addendum will be in effect from April 1, 2020, until December 31, 2020.

Scope: Applies to all District employees.

---

Expanded FMLA Leave

Eligibility: All full- and part-time employees, who have been employed by the District for at least 30 days and are unable to work (or telework) for the reason below.

Reason for Leave

Eligible employees who are unable to work (or telework) due to a need to care for their child when the school or place of care has been closed, or the regular childcare provider is unavailable due to a public health emergency with respect to COVID-19.

- “Child” means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is:
  - under 18 years of age; or
  - 18 years of age or older and incapable of self-care because of a mental or physical disability.
- “Childcare provider” means a provider who receives compensation for providing childcare services on a regular basis, including:
  - a center-based childcare provider
  - a group home childcare provider
  - a family childcare provider (one individual who provides childcare services for fewer than 24 hours per day, as the sole caregiver, and in a private residence)
  - other licensed provider of childcare services for compensation
  - a childcare provider that is 18 years of age or older who provides childcare services to children who are either the grandchild, great grandchild, sibling (if such provider lives in a separate residence), niece, or nephew of such provider, at the direction of the parent.
- “School” means an elementary or secondary school.
Duration of Leave

Employees will have up to 12 weeks of leave to use from April 1, 2020, through December 31, 2020, for the purposes stated above. This time is included in and not in addition to the total FMLA leave entitlement of 12 weeks in a 12-month period.

For example, if an employee has already taken six (6) weeks of FMLA leave, that employee would be eligible for another six (6) weeks of FMLA leave under this policy.

Pay During Leave

Leave will be unpaid for the first 10 days of leave; however, employees may use any accrued paid vacation, sick or personal leave during this time. The employee may also elect to use the paid leave provided under the Emergency Paid Sick Leave Act, as further explained below. After the first 10 days, leave will be paid at two-thirds of an employee’s regular rate of pay for the number of hours the employee would otherwise be scheduled to work. Pay will not exceed $200 per day, and $10,000 in total. Any unused portion of this pay will not carry over to the next year.

Employee Status and Benefits During Leave

During this leave, the District will continue to pay its portion of the employee’s health insurance premiums. The employee is responsible for arranging payment of their portion of the health insurance premiums while on FMLA leave, if applicable. Failure to do so may result in cancellation of the employee’s health insurance benefits.

Procedure for Requesting Leave

All employees requesting this leave must provide written notice, where possible, of the need for leave to Human Resources as soon as practicable. Verbal notice will otherwise be accepted until written notice can be provided. Within five business days after the employee has provided this notice, Human Resources will complete and provide the employee with any required notices.

The notice the employee provides should include at a minimum:
1. The employee’s name;
2. The date or dates for which leave is requested;
3. A statement of the COVID-19 related reason the employee is requesting leave and written support for such reason;
4. Name and age of the child (or children) to be cared for;
5. Name of the school that has closed or place of care that is unavailable; and
6. Representation that no other person will be providing care for the child during the period for which the employee is receiving family medical leave and, with respect to the employee’s inability to work or telework because of a need to provide care for a child older than fourteen during daylight hours, a statement that special circumstances exist requiring the employee to provide care.

On a basis that does not discriminate against employees on this leave, the District may require an employee to report periodically on the employee’s status and intent to return to work.

- under 18 years of age; or
- 18 years of age or older and incapable of self-care because of a mental or physical disability.

Amount of Paid Sick Leave

All eligible full-time employees will have up to 80 hours of paid sick leave available to use for the qualifying reasons above. Eligible part-time employees are entitled to the number of hours worked, on average, over a two-week period.

Rate of Pay

Paid emergency sick leave will be paid at the employee’s regular rate of pay, or minimum wage, whichever is greater, for leave taken for reasons 1-3 above. Employees taking leave for reasons 4-6 will be compensated at two-thirds their regular rate of pay, or minimum wage, whichever is greater. Pay will not exceed:

- $511 per day and $5,110 in total for leave taken for reasons 1-3 above;
- $200 per day and $2,000 in total for leave taken for reasons 4-6 above.

Interaction with Other Paid Leave

The employee may use emergency paid sick leave under this policy before using any other accrued paid time off for the qualifying reasons stated above.

Employees on expanded FMLA leave under this policy may use emergency paid sick leave during the first 10 days of normally unpaid FMLA leave.
Procedure for Requesting Emergency Paid Sick Leave

Employees must provide written notice to their manager or the HR Director of the need and specific reason for leave under this policy. Verbal notification will be accepted until practicable to provide written notice.

5. Name of governmental entity ordering quarantine and/or health care professional advising self-quarantine (if applicable); and
6. Name of person employee caring for (if applicable).

1. Name and age of the child (or children) to be cared for;
2. Name of the school that has closed or place of care that is unavailable; and
3. Representation that no other person will be providing care for the child during the period for which the employee is receiving family medical leave and, with respect to the employee’s inability to work or telework because of a need to provide care for a child older than fourteen during daylight hours, a statement that special circumstances exist requiring the employee to provide care.

Once emergency paid sick leave has begun, the employee and their manager must determine reasonable procedures for the employee to report periodically on the employee’s status and intent to continue to receive paid sick time.

Carryover

Paid emergency sick leave under this policy will not be provided beyond December 31, 2020. Any unused paid sick leave will not carry over to the next year or be paid out to employees.

Job Protections

No employee who appropriately utilizes emergency paid sick leave under this policy will be discharged, disciplined or discriminated against for work time missed due to this leave.

POLICY: HR6 – Employee Conduct

APPROVAL DATE: 01/01/1982

REVISION DATE: 04/21/2020

Purpose
To set forth the District’s policies for hiring and employment.

Scope
Applies to all District employees

Employees are expected to conduct themselves at all times in a professional, ethical, and courteous manner and refrain from any activity that is, or may be perceived to be, a conflict of interest. Failure to meet District expectations may result in disciplinary action, up to and including termination.

6.1 Ethics
At the heart of public service is public trust. One way for the District to hold the respect, trust, and confidence of the communities we serve is through the creation and enforcement of ethical guidelines for the conduct of our public employees. It is therefore the policy of Spokane County Library District to uphold, promote, and demand the highest standards of ethics from its employees for personal integrity, truthfulness, honesty and fairness in carrying out their public duties. Employees must avoid any act of impropriety in their role of public servants, including, but not limited to, unauthorized possession or access to District property and/or confidential information, dishonesty or the appearance of impropriety, and must never use their District position or authority for personal gain or in breach of the public trust.

6.2 Conflict of Interest
A "conflict of interest" occurs when an individual's private interest conflicts with, or appears to conflict with, the best interests of Spokane County Library District. Accordingly, no conflict of interest, either real or perceived, can be allowed between the public’s trust and private or personal interests.

6.3 Abuse of Authority or Position
Employees may not use the power or authority of their position for personal gain, or to obtain any improper personal benefit for themselves, their family, or for any other person. For example, employees are expected to abide by District policies governing circulation and renewal of library materials. In addition, employees may not use professional work cards for personal use. Overriding of any limit is not allowed without the approval of a supervisor or manager.

6.4 Gifts or Additional Compensation
Employees may not ask for or receive any additional compensation, gift, loan, discount on goods or services, or accept any other things of value, over and above their salary and benefits, for performing their official duties. However, gifts of nominal value, such as an honorarium or
compensation for performing work that is related to the library profession, but is outside their official duties, or gifts of food for a group or work unit at holidays or other special occasions are allowed as long as they do not constitute a conflict of interest.

6.5 Motor Vehicles

Use of District-provided vehicles is limited to activities benefiting Spokane County Library District. Minimum use of assigned vehicles for personal purposes, such as purchasing lunch or dinner while on business away from the worksite, or personal stops en route to or from work, or while traveling between facilities, is allowed. Transporting individuals who are not District employees in a District provided vehicle is prohibited.

Employees driving Spokane County Library District vehicles are responsible for all violations, tickets, or fines incurred while operating a District vehicle. Employees receiving a violation, ticket, or fine while operating a District vehicle are required to report it to their supervisor/manager and the Finance Director within one (1) business day of occurrence.

Failure to notify, or failure to pay a fine or ticket in a timely manner, may result in disciplinary action up to and including termination.

Employees whose duties include operating a personal or District-provided vehicle, must report the suspension, revocation, or loss of driver’s license and/or insurability within one (1) business day of occurrence.

Moreover, manufacturing, distributing, possessing, or selling controlled substances (as defined in RCW 69.50) is also prohibited at any time on District premises, including District vehicles.

The possession and use of medically-prescribed and over-the-counter medications during work hours is permissible, provided they do not prevent the employee from safely performing their duties or create a safety threat to the employee or others.

If any of the following conditions are met, the employee may be sent to a local drug testing company via taxi or similar means of transportation. The Human Resources Director, or their designee, has sole discretion and authority regarding the transportation and testing of any employee.

- Other conditions, as determined by the Human Resources Director or designee.

The District will cover the cost of transportation as well as the testing. The employee will be placed on paid Administrative leave until the results of the tests are returned.

Failure to promptly comply may be grounds for immediate termination.

6.8 Workplace Violence

All messages or data created, sent, or received using any of the District’s electronic communication or computer systems are considered property of the District.

When directed, employees authorized by the Executive Director or designee may research, retrieve, read, or copy messages and/or data stored on any of the District owned communication equipment and computer systems by another user.

6.13 District-Provided Equipment

Employees may make limited personal use of District-provided devices.

Employees are prohibited from:
- Engaging in any purposeful actions harmful to computer equipment, the network or the information stored on it, such as creating or propagating malicious software; damaging files; making unauthorized modifications to District data or gaining unauthorized access to network resources.
- Sending e-mails, voicemails, or using District-provided access to social media to harass, embarrass, or intimidate an individual; accessing or attempting to access another individual's email, voicemail, or social media account without proper authorization.

The Executive Director will establish administrative procedures necessary to implement this policy. In accordance with the administrative procedures, any appeal of an administrative action under this policy will first be made in writing to the Executive Director. Any subsequent appeal of Executive Director action and/or decision will be made in writing to the Board of Trustees.

The District will make a good faith effort to implement this policy in a fair and consistent manner.
NON-EXCLUSIVE PROVIDER OF PRINT MATERIALS CONTRACT AWARD

Background
The District issued a Request for Proposal (RFP) for a non-exclusive provider of print materials in February 2020. Library materials suppliers are an industry geared specifically to serving libraries. They have sufficient volume to meet the demand of quantities ordered and offer consistent discounts that maximize the materials we buy. By using a library materials supplier, we maximize the number of customers of all ages we can serve and the efficiency with which we serve them.

PROPOSAL SOLICITATION AND RESULTS
The RFP for a Non-Exclusive Provider of Print Materials for the District was issued on February 28, 2020. The District published a legal notice, as required, and posted the solicitation document on the District’s website. All proposals were due March 27, 2020, with three (3) proposals received. One (1) proposal was received from a company that was not able to meet all of the requirements on the minimum criteria checklist and did not submit a complete response, so therefore it was not considered. The two (2) other vendors both met the minimum qualifications and submitted complete responses and therefore were eligible for consideration—Baker & Taylor and Ingram Library Services (Ingram). While both vendors’ offerings are similar in a variety of the minimum and preferred criteria, there are a few key distinctions:

(1) Discounts: Both Baker & Taylor and Ingram offer similar discounts for the top three (3) print formats (trade hardback, trade paperback, and mass market paperback), with Ingram offering a slightly better overall discount of 0.1%.

(2) Shipping Costs: Ingram offers free shipping from the designated primary and secondary distribution centers. Baker & Taylor imposes a transportation surcharge of 1.0% per invoice total for print (books and spoken word audio materials) with a maximum fee of $25.00 per invoice.

(3) Turnaround Time: Ingram has four (4) distribution centers with the closest one to Spokane located in Roseburg, OR. In-stock book orders are shipped within 24 hours or on the same business day if placed before local cut-off time at the designated primary distribution center. Baker & Taylor has two (2) distribution centers with the closest one to Spokane located in Momence, IL. In-stock materials on average will ship within 24 hours of receipt of order.

Considering the discounts offered by each vendor are comparable, the free shipping offered by Ingram along with the proximity of the primary distribution center in Oregon and the quick turnaround time makes Ingram the vendor most responsive to the selection criteria. The District intends to enter into a contract with Ingram for one (1) year beginning June 1, 2020, based on the RFP and proposal received, with a District option of up to four (4) one-year extensions for a maximum life of the contract being a total of five (5) years.

Ingram has been the District’s primary print materials supplier for almost 30 years, and we have been pleased with its service. Additionally, our familiarity with its website interface allows us to most efficiently get materials in the hands of District customers.

Pending contract award approval by the Board of Trustees, staff will negotiate a contract with Ingram Library Services in accordance with the terms of the RFP and the discounts, features and services contained in the response.

Recommended Action: Board motion to award the contract for Non-exclusive Provider of Print Materials to Ingram Library Services.
COVID-19 Response Update

Background
Governor Jay Inslee extended the expiration of Proclamation 20-25.1 “Stay Home—Stay Healthy” until May 4, 2020. As public libraries are not considered essential businesses under the guidelines issued by the Governor’s Office, we have extended our closure period to comply with the proclamation.

All library service suspensions or extensions previously discussed with the Board have been extended as well. For example, due dates, overdue fines, and library card expirations will not go back into effect until after the libraries re-open to the public. Library programs and meeting room bookings will remain canceled as well.

As previously discussed with the Board, staff who are currently working remotely, and staff whose functions were already determined to be essential to the operational continuity of the District and were allowed to work in the buildings as per the proclamation guidelines, are continuing to do so. All other staff continue to be on administrative leave for the duration of the closure, as per policy.

When will staff return to work in the buildings?
The earliest staff will be able to return to work in the buildings is May 5, 2020, based on the current revised proclamation. We anticipate that staff will return to work with some social distancing restrictions still in place. We will make the determination about what that return looks like in terms of assignments and job duties when we are closer to the proclamation’s expiration date.

When will the District re-open to the public?
To be determined. We are anticipating the likelihood that the libraries will reopen to the public with some social distancing restrictions still in place as well. We are also anticipating needing up to 7-10 days once the proclamation expires to get back into the buildings, re-assess operational needs and requirements in light of any public health directives, and prepare to re-open to the public.

Next Steps
The Leadership Team is planning for a phased re-opening to the public based upon current guidance from federal, state, and local public health agencies. We are creating plans that can adapt to further extensions and other changes that may impact the public health landscape as it relates to District operations.

Executive Director Patrick Roewe will provide an overview of the District’s response to date and be available to answer any questions.

Recommended Action: This item is for discussion only, with no action required.
EXECUTIVE DIRECTOR’S REPORT MARCH 2020

Introduction
This month’s report will focus primarily on the District’s response to the COVID-19 pandemic and the way operations have been affected by or have adapted in response to Governor Inslee’s “Stay Home, Stay Healthy” proclamation. Other relevant updates are included as well.

Business Office, Finance and Facilities – Rick Knorr

COVID-19 related Updates
Property Tax Collections
On March 30, the Spokane County Treasurer extended the due date for the first-half property tax payments for many county taxpayers from April 30 until June 15, 2020. To repeat excerpts of the Treasurer’s announcement:
• This (extension) does not mean your property tax bill goes away. First-half payments regularly due April 30 will be accepted until June 15.
• The extension is not offered for prior year delinquent taxes or intermediaries, including mortgage loan servicing companies. (These mortgage loan servicing companies commonly represent 30% of total taxes paid.)
• Payments received after June 15 will incur interest and penalty as applicable by state statute.
• The second-half payment deadline remains October 31.

At the end of March, the District has 2.0 months cash on hand. Total tax collections expected in April, prior to this announcement, would have been at least $6,000,000. The District needs only $1,000,000 per month (17%) to maintain the current two months of cash on hand. In anticipation that 30% of payments will be received via mortgage loan servicing companies, the District does not expect any cash flow problems as a result of this six-week extension.

North Spokane Restroom Remodel
The Notice to Proceed was issued to the contractor on March 2, 2020. The contractor commenced work on Wednesday, March 25, and continued through March 30. Activity was then ceased due to compliance concerns with Governor Inslee’s “Stay Home, Stay Healthy” proclamation. On behalf of the District, Bernardo Wills Architects (BWA) received clarification at the state and county levels that the remodel project could continue as the type of public facility construction work allowed under the proclamation. BWA submitted a letter to the contractor on April 13, 2020, directing them to proceed based on the clarification.

Other Updates
Finance Report

General Fund

Revenues
Total revenues for the first quarter is 7.14% of budgeted revenues. Tax collections are further discussed below. The first of four (4) payments from the city of Airway Heights has been collected on schedule. The first of two (2) payments from the city of Spokane is not due until May. Fines and fees are on budget, a short-lived phenomenon due to the extension of all physical material due dates during our closure period.
Expenses
Total expenses before transfers to the Capital Projects Fund are 24.11% of budget. Total salary and benefits are also similarly less than the 25% expected through the first quarter. Even as all staff continue to be fully paid based on their schedules, there is no need through the closure for sick leave or vacation leave coverage, which will result in continued salary expenses to be slightly under budget.

All other non-capital expenses are on budget as expected, as most operations remain in place, such as utilities, and all building service and safety maintenance. Most of this year’s capital budget of $1,490,000 will not be spent until later in the year, however.

Human Resources – Toni Costa

COVID-19 related Updates
The Personnel Policy revisions included in this meeting’s agenda, Sections HR05 Leave and HR06 Employee Conduct, are both necessitated by the COVID-19 pandemic.

Other Updates
Staff Training:
- All in-person staff training was canceled for March, following the “Stay Home, Stay Healthy” order.
- Open Public Meetings Act training was provided to the Trustees through TalentLMS, with four out of five completing the training as of 4/06/2020.
- Public Records Act training was provided to the Trustees through Talent LMS, with four out of five completing the training as of 4/06/2020.

Staffing Changes:
The District had neither new staff nor terminating staff in March. There were two transfers, both Public Service Associate, swapping places from MP and BE.

Communication and Development – Jane Baker

COVID-19 related Updates
Communication
By mid-month, notifications of postponements, cancellations, and closures were the priority, as we shifted to working from home.

Under the stay at home order, the focus was promoting online resources and collaborating with program staff to create and promote online events and programs, as well as sharing helpful digital resources for education and entertainment.

There were several media calls, from both television and newspapers, for information on our closure, book drops, and online resources. These calls resulted in the District’s information on closures and online programming being included in The Spokesman-Review, Inlander, and Journal of Business.

The Communication Department has utilized the website, social media, and our eNewsletter to keep customers updated.
Development
Development activities have slowed under the stay at home order, and have shifted focus to webinars and online classes discussing new considerations and opportunities for fundraising in light of the nation’s changing financial landscape.

Operations – Doug Stumbough

COVID-19 related Updates
The first two weeks of March were highlighted by several programs including the Northern and Valley Poetry Slams, performances by Floating Crowbar at several libraries, Genealogy: Researching Your Family History, and more than two dozen proctoring sessions and GED programs.

As COVID-19 began to significantly impact Washington in the second week of March, several alterations to services were initiated including the suspension of visits to adult facilities and increased cleaning of high-touch surfaces. There was also an initial plan to cancel programs and meeting room use through April 11 and minimal staffing plans were identified for reduced service models in the libraries.

Over the course of just two days, the situation progressed to the point where multiple libraries across the state began to announce full closures in an effort to reduce the spread of the infection. By the end of the second week, the District had made the decision to enact the Emergency Closure of Facilities policy and close libraries to the public beginning March 17 in response to the unprecedented circumstances. From the announcement of pending closure on March 13, to the day before closure, March 16, libraries reported an uptick in customers and empty shelves.

With the closure, all overdue fines were suspended until after reopening, as well as notifications, and collection agency referrals. Items due during the closure, library cards scheduled to expire during the closure, and holds waiting for pick up were all extended until after a reopening date can be determined.

Staff continued to work in libraries and remotely through the first week of the closure, answering calls and emails, checking in materials and planning/transitioning program offerings online. The online card application process was refined to allow customers instant access to digital resources such as OverDrive and Hoopla.

When the Governor announced the Stay Home, Stay Healthy order effective March 25, closing down all non-essential businesses through at least April 6, only staff who were working remotely or whose function was essential to the operational continuity of the District were authorized to continue to work and all others were (or continued) on administrative leave.

We will plan to resume having minimal staff in the buildings when further orders are issued from a federal, state, or local agencies allowing a return to in-library work. We are also planning a phased reopening of services based on what restrictions remain in effect as the spring and summer progress.

Collection Services – Andrea Sharps

COVID-19 related Updates
Selection Strategies in Response to the COVID-19 Library Closures
During the month of March, we doubled the OverDrive expenditures and increased the frequency of the weekly OverDrive orders starting the week of March 23. On March 16, we added a collection of over
4,000 classic titles in the public domain to our OverDrive catalog, which allows for an unlimited number of users to access eBooks at a time. We are attempting to purchase as many of the ‘Recommend to Library’ (RTL) titles that customers suggest on OverDrive and are striving to meet a 4:1 holds ratio for OverDrive content. Working remotely, the Adult and Youth Collection Development librarians are identifying OverDrive materials to purchase on topical/timely subjects to support customers seeking information about viruses, working from home, cooking in quantities, emergency preparedness, activities with children, and basic schooling/homeschooling. Starting April 1, we increased the monthly budget cap for the streaming service hoopla which includes eBooks, eAudiobooks, comics/graphic novels, full-length albums, episodic television shows, and movies. We are encouraging customers to use Flipster to access easy-to-read digital magazines. We are keeping the OverDrive and hoopla checkout limits the same as well as the OverDrive RTL limit in order to give more of the District’s 118,000 cardholders the opportunity and ability to access and enjoy these digital services during the library closures due to the COVID-19 crisis.

Top Checkouts and Holds
This month we are focusing on OverDrive (digital) titles with the most checkouts occurring during the month and titles with the most holds placed during the month:

- **Popular OverDrive titles March 2020:**
  - Checkouts March 9 – April 8:
    - *Harry Potter and the Sorcerer’s Stone* by J.K. Rowling, eAudiobook (156)
    - *A Minute to Midnight* by David Baldacci, eAudiobook (75)
  - Holds on April 8:
    - *Little Fires Everywhere* by Celeste Ng, eBook (104)
    - *American Dirt* by Jeanine Cummins. eBook (96)
    - *The Giver of the Stars* by Jojo Moyes, eBook (78)
    - *The Giver of the Stars* by Jojo Moyes, eAudiobook (75)

Other Updates

**Request for Review of Library Materials**
The District received two *Request for Review of Library Materials* forms in March regarding two children’s picture book items in the same preschool book bag. It was determined that the picture books met the collection criteria and were correctly cataloged and appropriately included in the thematic preschool book bag. No changes were made in the status of the two items, and a written response was sent to the District resident within 14 days of receiving the request as stated in the Collection Development policy.

**Request for Proposals**
The District invited interested library materials suppliers to submit proposals for a non-exclusive supplier contract for provision primarily of District physical print materials. The request for proposal informational package was available at the District’s website from February 28 through March 27, with all proposals due by 2:00 p.m. PST on March 27. Three proposals were received by the deadline and were reviewed and evaluated by Collection Services staff. The contract will be awarded to the vendor most responsive to the selection criteria at the April 21 Board of Trustees meeting.

2020 Legislative Session
As reported last month, Public Libraries of Washington tracked several pieces of legislation that have the potential to impact the efficient conduct of the public business of the District. Legislation enacting the following was signed into law in March:

- Extending the maximum term of nonvoter approved general obligation bonds for library districts from six (6) to 20 years.
- Combining the establishment of an LCFA (library capital facilities area) and the authority to finance the LCFA in a single ballot proposition approved by a supermajority vote.
- Requiring Washington State Parks to provide at least two library Discover Passes (passes needed to access state parks), once each calendar year, to any library that submits a request.
