

RECIPROCAL USE AGREEMENT
BETWEEN
SPOKANE COUNTY LIBRARY DISTRICT AND
LIBERTY LAKE MUNICIPAL LIBRARY

This Agreement is entered into this 16th day of October, 2012, by and between the Spokane County Library District, ("the SCLD"), a rural county library district established under the authorization of Chapter 27.12 RCW; and the Liberty Lake Municipal Library ("the LLML") a city library established under the authority of Chapter 27.12 RCW.

WHEREAS, the LLML and SCLD currently maintain and operate their own library systems and provide library services to the residents in their respective jurisdictions pursuant to Chapter 27.12 RCW; and

WHEREAS, the SCLD is a separate municipal corporation that provides library services to ten cities and towns, including Cheney, Deer Park, Fairfield, Latah, Medical Lake, Millwood, Rockford, Spangle, Spokane Valley, and Waverly who have voted to annex to the District; and one city, Airway Heights, that contracts with the district for library service; and

WHEREAS, in August 2012, the Directors of the LLML and SCLD met to discuss the possibility of establishing a reciprocal-use arrangement for customers of each library system; and

WHEREAS, changes and improvements to both library systems, including additional branch libraries by the library systems, has made reciprocal use between the two systems beneficial to the library systems and the citizens of the respective jurisdictions; and

WHEREAS, an increased level of cooperation between the two library systems, including establishment of a reciprocal use arrangement, has benefits for the customers of both library systems, including providing the opportunity for enhanced access to library facilities and materials, and providing opportunities to jointly promote the value of public library services.

NOW, THEREFORE, in consideration of the benefits to be received by the two library systems and their respective customers, it is hereby agreed by and between the SCLD and the LLML as follows:

1. Term.

This Reciprocal Use Agreement shall be effective on approval and execution by the Board of Trustees of the SCLD and the LLML. The Agreement shall automatically renew January 1st of each year unless either party provides written notification one hundred eighty (180) days prior to the January 1st renewal date that it elects not to renew the Agreement. The parties may further agree to terminate this Agreement at any time by mutual agreement.

2. **Reciprocal Use Agreement.**

The residents of one library's service area may obtain a library card permitting the use of the other library's facilities and services, without payment of any non-resident fee, under the following conditions:

- a. The current policies and procedures for the provision of library services of each library system shall remain in effect, with no coordination or standardization required, and specifically including the following provisions:
 1. Library materials placed on hold must be picked up by the library customer at the owning systems' branch library.
 2. Library materials must be returned to the owning system's branch library; if the library materials owned by one system are returned to a branch library of the other system, the materials will be routed back to the owning system, but any overdue charges will continue to accrue under the terms of the owning system's policies.
- b. The terms of this agreement shall apply to the residents of the entire unincorporated area of Spokane County, the City of Liberty Lake, and all cities within Spokane County served by the SCLD.
- c. The reciprocal use agreement does not extend to each system's non-resident library cardholders, only to eligible residents living within their respective library service areas.
- d. A cardholder of the LLML or the SCLD, except an out-of-county cardholder, shall be entitled to all of the privileges of a resident cardholder of the other system, except for interlibrary loan of library materials, downloading of digital books and accessing remote database access due to the costs associated with the provision of these library services.
- e. Customers blocked from use of library facilities and services by one system, as a result of a referral of overdue charges to a collection agency, will be blocked from obtaining a library card or the use of library services from the other system. Each system will provide the other system, on a weekly basis, with a listing of customers in default on library charges referred to a collection agency.
- f. Each system shall establish tracking codes to provide information, on an annual basis, on the use of their respective library services and facilities by non-resident cardholders.

3. Liability.

Each party shall, at all times, be solely responsible for the acts, or the failure to act, of its personnel that occurs or arises in any way out of the performance of this Agreement by its personnel only; and to save and hold the other party and its personnel and officials harmless from all costs, expenses, losses and damages, including cost of defense, incurred as a result of any acts or omissions of the party's personnel relating to the performance of this Agreement.
