- Maintain confidentiality of customer information;
- Establish and maintain effective working relationships in a team environment;
- Use initiative, problem-solving skills, and sound judgment;
- Work quickly and accurately; follow directions; meet deadlines.

**Work Environment/Physical Demands**

An individual performing the duties in this position is required to work both indoors and outdoors in all weather conditions.

Occasionally work must be performed in high, precarious places and/or near or around moving mechanical parts. The noise level in the work environment ranges from moderately quiet to moderately noisy depending on the task being performed. Occasional exposure to fumes or airborne particles, toxic or caustic chemicals, and risk of electrical shock are illustrative of the environmental requirements of the position.

This position requires frequent public contact

An individual performing the duties in this position may be required to sit or stand for long periods of time, climb ladders, or lift or move up to 40 pounds of supplies or materials frequently, and occasionally up to 100 pounds of supplies or materials.

**Special Requirements**

- Criminal background check required.
- Must maintain a clear driving record, free from serious violations
- Must have valid driver's license and required insurance.
- Must be able to drive the District’s maintenance vehicle to other locations to perform work, and/or attend work-related meetings, workshops or conferences.

*The duties listed above are intended only as illustrations of the types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.*

*The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.*
