Harry Potter's World: Renaissance Science, Magic, and Medicine

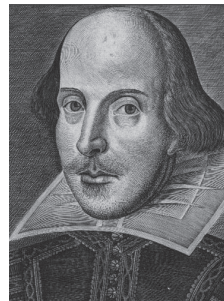

SPOKANE VALLEY LIBRARY
July 3–August 12

This exhibition explores Harry Potter's world, its roots in Renaissance science, and the ethical questions of knowledge, prejudice, and power that affected not only the wizards of Harry Potter but also the 15th- and 16th-century thinkers featured in the series.

"And there's the humor of it": Shakespeare and the four humors

CHENEY LIBRARY
July 3–August 12

This exhibition explores the role played by the four humors—blood, bile, melancholy, and phlegm—in several of Shakespeare's most beloved plays and examines more modern interpretations of the four humors in contemporary medicine.

Out of This World in August

On **Monday, August 21**, a total eclipse of the sun will be visible in parts of the continental U.S. for the first time in almost 40 years. Here in Spokane, we'll see a partial eclipse. You can experience this astronomical phenomenon and other stellar events at many of our libraries.

For more information about these events and more, please visit us online at www.sclld.org.

Outreach Services assists those in the community who are unable to visit any of the District's 11 libraries. Outreach is also the local liaison for Washington Talking Book & Braille Library.
