Article 1: Exam Fees

For Washington state residents with a Spokane County Library District card, the first exam and one re-test is free with a certificate of completion of an Office 2010 or 2013 course from WSL Microsoft IT Academy. Any subsequent exams will cost $50. Those without a course completion certificate will be charged $50, which includes one re-test. Test vouchers must be obtained through SCLD. No proctoring fees will be charged. Payments accepted in cash or check.

Please Note: In certain circumstances, the computer on which a Test Candidate is taking the exam may stop responding, or produce an error condition in which continuation of the exam would not be possible. If a Test Candidate experiences this or any other computer interruption, they must notify the Certiport Authorized Testing Center (CATC) Administrator and/or Proctor immediately to restart the exam. When the computer is restarted and/or the error condition resolved, the Proctor will launch the software again and the Test Candidate will choose the "In-Progress" exam, which will return them to the point at which the interruption occurred. The software will retain the exam progress and time remaining up to the point of termination, as long as the exam is resumed on the same computer in which it was started.

Microsoft Office Specialist Testing Procedures

Procedure 1: Physical Testing Environment

1. Ensure the testing area is a professional environment where Test Candidates may take the exam without interruptions.
2. Ensure that each test is actively proctored with an unobstructed view of each Test Candidate in the testing area. The proctor is to be located in the same room with the Test Candidate.
3. If partitions are not available for the testing stations, ensure that Test Candidates are seated far enough apart to minimize distractions and prevent cheating. The recommended distance is four feet.
4. While testing is in progress, use of equipment such as printers, fax machines, copiers, telephones, or other electronic devices is not permitted in the testing environment.

Procedure 2: Candidate Check-In And Exam Procedures

1. The CATC is required to maintain a log showing when the Test Candidate signs in and out.
2. The CATC is responsible for verifying the Test Candidate’s identity with at least one form of valid identification (containing both a photograph and the Test Candidate’s signature).
3. The CATC/Proctor must not allow recording or electronic devices in the testing area. Such devices include: paper, pens, pencils, cameras, computers, or cell phones. Additional Test Candidate property, such as books or bags, should be stored outside the testing environment or inaccessible during the exam.
4. The CATC/Proctor may permit a Test Candidate to take a break during testing if requested, but must inform the Test Candidate that the testing clock cannot be stopped during the break. Test Candidates must not be permitted to conduct activities during a break that may compromise exam security - including use of a telephone and/or communicating with other Test Candidates. Candidates must sign out and back in for each break.
5. The Proctor must confirm that the Test Candidate’s ID matches the Certiport account information on the Proctor Validation Screen prior to launching the exam.
6. Proctors may answer questions regarding the functionality of the exam software, but may not answer questions or provide instructions related to exam content.

Procedure 3: Public Testing Centers

1. Accurate scheduling information must be included on the CATC locator, and should be updated as needed.
