

July – September 2023 Approved Medicare Supplement (Medigap) plans

By federal law, high-deductible plans G and F have a \$2,700 deductible for the year 2023

The best time to enroll in a Medigap plan is during the first six months you have both Medicare Parts A and B.

People enrolled in Original Medicare who have:

- A Medigap plan B through N can join any Medigap plan – except Plan A.
- Medigap Plan A can join any Medigap Plan A.
- More comprehensive health coverage than the Medigap plan they’re buying, can join any comprehensive Medigap plan – except Plan A.

There’s no yearly open enrollment period for Medicare Supplement (Medigap) plans. If you’re already enrolled in a Medigap plan, you may apply to buy or switch plans at any time. However, if you’re not currently enrolled in a Medigap but want to buy one, rules vary whether insurers may require you to pass a written health screening questionnaire. Not sure if you’ll need to take a health screening? Call our Insurance Consumer Hotline at: 1-800-562-6900.

Footnotes Explained:

1 = PreX (pre-existing condition) is a health problem you had within the three months before the effective date of your new plan. For this condition, a company cannot exclude benefits for that condition for more than three months after the coverage effective date. If you replace your policy and your previous policy was in effect for at least three months, you have no waiting period for any pre-existing conditions.

2 = No health screen means the insurance company will not ask you any health questions to decide if they will enroll you in its plan.

3 = You must be a member of an association to buy these plans.

* Medicare Select policies may require you to use specific hospitals, doctors, or other health care providers to get full coverage. They must disclose network restrictions to you.

The appearance of a company on this list does not constitute an endorsement of a company or its policies by the Washington state Office of the Insurance Commissioner, SHIBA, or its volunteers.

10 Standardized Medicare Supplement (Medigap) plans chart

This chart shows the benefits included in each of the standard Medigap plans effective on or after Jan. 1, 2023.

The Medigap policy covers coinsurance only after you've paid the Medicare deductible (unless the policy you have also covers the deductible).

Note about Plans C and F:

Only applicants' first eligible for Medicare before 2020 can buy/keep Plans C, F, and high-deductible Plan F. Medigap Plans C and F are no longer available to people new to Medicare as of Jan. 1, 2020. If you were eligible for Medicare before Jan. 1, 2020, but not yet enrolled, you might be able to still buy a Plan C, F or high-deductible Plan F.

How to read the chart: ✓ = policy covers 100% of benefit; % = policy covers that percentage; Blank = policy doesn't cover that benefit
