

Animal Actions

Based on Saviour Pirotta's "Little Bird"

"What can I do today?" asked the little bird.

"BUZZ!" said the **BEE**.

"JUMP!" said the **FROG**

"QUACK!" said the **DUCK**

"SKIP!" said the **LAMB**

"ROLL!" said the **PIG**

"GALLOP!" said the **HORSE**

"STRETCH!" said the **CAT**

"SLITHER!" said the **SNAKE**

"FLY!" said the little bird's mother. **"FLY!"**

So, the little bird flew around the farm and across the fields and back home—just in time for bed.
