

Shoe On My Forehead

Move shoe around to corresponding body parts, act out movements, etc.

Shoe on my forehead.
Shoe on my knee.
Shoe on my eyes,
It's getting hard to see!
(optional: "Peek-a-boo!")

Shoe on my tummy.
Shoe on my hair.
Shoe on my hand.
My shoe is everywhere!

Shoe on my elbow.
Shoe on my chin.
Shoe on my friend.
My shoe makes me grin!

Shoe on my foot.
Shoe on my shin.
My shoe wants to play,
So, I'll jump, run, and spin!

Bedtime

Shoe on my arm.
Shoe hugged tight.
Now I put my shoe next to my bed,
'cuz...
...It's time to say goodnight!

Fall

Shoe on my arm.
Shoe way up tall.
My shoe wants to dance and play,
It's so glad it's fall!

Winter

Shoe on my fingers.
Shoe hugged in my arms.
Even though it's winter,
My shoes keep my feet warm.

Spring

Shoe on my arm.
My shoe makes me sing—La, la, la!
My shoe wants to dance and play,
It's so glad it's Spring!

Summer

Shoe on my fingers.
Shoe way up tall.
I'm so glad it's summer,
Now I don't need shoes at all!
