Reaffirmation Date	August 20, 2024		
Purpose	Declares recognition of the Friends of the Library group as non-profit community organizations that support and promote the individual libraries that make up the Spokane County Library District (District).		

In the event of the amendment of any law, regulation, or ordinance incorporated into this policy or upon which this policy relies, the policy shall be deemed amended in conformance with those changes.

In cases where this policy conflicts with any local ordinance, state or federal law, the terms of that law, and its underlying rules or regulations shall prevail. In all other cases, Spokane County Library District policies and practices prevail.

The Board reserves the right to change and/or modify this policy at any time, as circumstances dictate and in accordance with applicable law.

Policy:

The District Board of Trustees recognizes and endorses the Friends' primary purpose to support the District's mission and the programs and services offered at District libraries.

The District will provide official recognition of each individual Friends organization based upon the following criteria:

1. Each individual Friends organization enters into and acts in accordance with a Memorandum of Understanding (MOU) with the District.
2. Each individual Friends group registers as a nonprofit corporation with the Washington Secretary of State and maintains that status in good standing.

Each individual Friends organization may have tax-exempt status from the Internal Revenue Service (IRS), and if so, maintain that status in good standing. The District assumes no responsibility or liability for the Friends compliance with IRS regulations, or their ability to maintain tax-exempt status.

The purpose and goals of the Friends are to promote interest in the District libraries; support and promote awareness of the District's mission, goals, services, and resources; foster public support for the development of the District and raise funds so it may continue to serve the needs and interests of the communities in the District's service area.

Friends meetings are attended by an assigned District liaison in accordance with the MOU.

The District encourages the Friends to sponsor programs and activities and raise funds for library support. Specific activities, including purchases such as library materials, furniture, and equipment, must have prior approval or be done at the request of the District.

The District will support activities of the Friends in accordance with the MOU between the organizations. District staff members and/or Trustees shall not hold elected offices with the Friends to avoid conflict of interest.

The District will make a good faith effort to implement this policy in a fair and consistent manner.

The Executive Director will establish administrative procedures necessary to implement this policy.
