These rules are posted at the entrances to the facility or otherwise available from the facility owner(s).

District staff and/or local law enforcement officers may intervene to stop prohibited activities and behaviors. Failure to comply with the District’s established policies, rules, and regulations could result in notice and removal from the premises and exclusion from District facilities, or in arrest by law enforcement and prosecution. Violations could also result in notice and restriction and/or termination of library privileges, including the use of library computers and other equipment.

Exclusions of six months or longer require the customer to petition the library in writing for reinstatement of privileges at the conclusion of the exclusion period in accordance with administrative procedure.

The Executive Director will establish administrative procedures necessary to implement this policy. In accordance with the administrative procedures, any appeal of an administrative action under this policy will first be made in writing to the Executive Director. Any subsequent appeal of Executive Director action and/or decision will be made in writing to the Board of Trustees.

The District will make a good faith effort to implement this policy in a fair and consistent manner.
