Page Turner Animal Adventures offers kids virtual field trips, games, activities for summer

Spokane, WA | June 17, 2021 – Spokane County Library District announces a summer filled with virtual field trips, stories, activities, games, and special guests with exclusive online content from Page Turner Adventures!

Kids and families get eight weeks of virtual animal adventures with the intrepid Storyologist, Page Turner (Nadler) and Kenny, her slap-stick sidekick. Together, they transform children into Storyologists and send them on comic quests to collect, create, and share stories.

Page Turner Adventures offers five days of online programs each week, full of professionally produced shows, author interviews, virtual field trips, and arts and crafts projects, based on the weekly theme. The wild and wonderful animal themes for this summer are:

- Farmyard friends
- Safari stories
- Fish tales
- Creepy crawlies
- Pet pals
- Fantastic beasts
- Celebrity critters
- Swamp stories

Explore great animal stories with authors and illustrators. Make delicious, healthy snacks that are as fun to create as they are to eat. Create crafts that are all about wild and fantastic animals and insects and the pets in your life. Take virtual field trips to visit special guests such as urban farmer Kamal Bell from Sankofa Farms (Durham, N.C.), the Dinosaur Whisperer Dustin Growick, and real-life pet detective Jamie Katz and her sniffer dogs, Gable and Fletcher.

Page Turner Adventures is intended for kids in grades K–5 and offers content the whole family can enjoy.
