Check Out WA Discover Pass backpack program expands at libraries thanks to WSECU donation

Spokane, WA | May 12, 2022 – Spokane County Library District announces the expansion of the Check Out Washington program, tripling the number of Discover Pass backpacks available to library customers.

This expansion was made possible by generous funding from Washington State Employees Credit Union (WSECU) and the donation of 44 Discover Pass backpacks by the Washington State Parks Foundation to the 11 libraries in Spokane County Library District.

The Check Out Washington Discover Pass backpacks enhance exploration and enjoyment of nature and the outdoors. Your next outdoor adventure is closer than you think with the Check Out Washington program!

You can borrow this special backpack from any of our libraries for a week and explore the beauty of Washington state lands. The backpack includes:

- A special library Discover Pass
- Binoculars
- Washington field guides
- Other interpretive materials

The special library Discover Passes provide day-use access to state lands managed by Washington State Parks, Washington Department of Fish and Wildlife (WDFW), and Washington Department of Natural Resources (DNR).
