More summer fun ahead for kids during August library programs

Spokane, WA | July 21, 2022 – Spokane County Library District shares the lineup of kids’ summer programs and activities during the month of August.

You can keep busy while being creative with Family Take-and-Make Activity Kits that you can pick up from any of our libraries through August 13. Each Monday, a new kit is available.

Try out a groovy and colorful design at our Tie Dye Party at 10 of our libraries. Along with tie-dyeing fun, there will be games and activities for all ages.

LEGO bricks are back and ready for building. Kids can get creative at two LEGO library programs: LEGO Building Club for all ages at Medical Lake Library on Mondays at 3:30pm and LEGO Stop-Motion Animation for kids ages 8–12 at The Studio at Spokane Valley Library on Saturday, August 20, at 2:30pm.

Sign up now to reserve your spot for Campamento de Verano Virtual (Virtual Summer Camp in Spanish), which starts August 1, for crafts, stories, and science experiments, all in Spanish.

Family Storytimes are in person at Spokane Valley parks, at nine of our libraries, and onboard LINC, our mobile library, during a visit to Spangle in August. Stop by to enjoy stories, songs, and fingerplays for kids ages 2 to 5 and their families.
