Grateful for enjoyable, helpful, informative programs at the library

Spokane, WA | October 18, 2022 – Spokane County Library District announces its November lineup of programs that include helpful, informative workshops and entertaining, enjoyable programs.

See the ways you can create, make, and practice self-care when you try out Pilates, a new puzzle or board game, or create a container of spring bulbs for winter enjoyment.

Creative and maker spaces—The Studio at Spokane Valley Library and The Lab at North Spokane Library—are open for drop-in hours. Plus, sign up for a video lighting workshop and a workshop to create laser-cut holiday ornaments.

Holiday shopping season is quickly approaching. Small businesses can get helpful tips for pricing and sales from a SCORE business mentor. Shoppers will want to add the Small Business Saturday weeklong event to their to-do list and enter for a chance to win a prize sponsored by the Friends of the Library.

Just in time for World Cup soccer matches, you can sign up for Ted Lasso trivia, attend a World Cup viewing party, and take on an all-ages World Cup reading challenge. Make these programs your GOAL!

Our Spanish-language programs include a book club discussing the celebrated novel The House on Mango Street and an online cooking class spotlighting the delicious flavors of Latin America.

Hear from thought leaders and award-winning authors in the upcoming Humanities Washington program about the gentrification of rural Washington and in three author talks discussing the founding women of NPR, the novel Lessons in Chemistry, and ways to have difficult discussions about race.

If you have questions about Medicare or health care and retirement, then our upcoming sessions may provide the answers you seek. Find support and connection at programs for caregivers, family members, and those experiencing memory loss or dementia this fall.

Learn more about these programs and sign up at www.scld.org/events.

Spokane County Library District provides resources, experiences, and places that empower people to learn, explore, and succeed. The District operates 11 libraries throughout Spokane County that include Airway Heights, Argonne, Cheney, Deer Park, Fairfield, Medical Lake, Moran Prairie, North Spokane, Otis Orchards, Spokane Valley, and The BookEnd. District library cards are free to Spokane County residents.

For more information on our libraries or programs, please visit www.scld.org or call 509.893.8200.
