Kick the ball into fall with World Cup celebrations, STEM, storytime, other library programs

Spokane, WA | October 20, 2022 – Spokane County Library District announces its lineup of events and programs for kids and families in November that includes soccer, storytime, Latin American cooking, STEM, and the Teen Leadership Council.

You can celebrate the season of competitive soccer with a reading challenge that includes books from, or about, the 32 countries competing in the 2022 World Cup and by coming to a viewing party.

Teens are invited to drop by Spokane Valley Library to check out how they can make a difference in the community by joining Teen Leadership Council.

Kids and their adults can learn how to cook delicious Latin American dishes in the Spanish-language program led by the creator of Mely’s Kitchen on Instagram.

If you love STEM projects and activities, check out what we have lined up for you: LEGOs, squishy circuits, optical illusions, and more.

Play & Learn Storytime is back in the libraries and offers engaging stories and activities for kids ages 0–5 and their families.

Learn more about these programs, including how to sign up, at www.scld.org/kids-nov-2022.

Spokane County Library District provides resources, experiences, and places that empower people to learn, explore, and succeed. The District operates 11 libraries throughout Spokane County that include Airway Heights, Argonne, Cheney, Deer Park, Fairfield, Medical Lake, Moran Prairie, North Spokane, Otis Orchards, Spokane Valley, and The BookEnd. District library cards are free to Spokane County residents.

For more information on our libraries or programs, please visit www.scld.org or call 509.893.8200.
